

## 教師徵聘公告

國立清華大學生命科學暨醫學院誠徵研究所與學士後醫學系專任助理教授(含)以上教師數名

起聘日期: **2024年2月1日**

延聘條件：

1. 具博士學位且有博士後研究經驗。
2. 能與本院教師形成整合性教學或研究團隊者；能支援大學部教學者優先考慮。
3. 研究專長符合下列領域之一：

研究所教職(依筆畫排序) (*:優先招聘領域)	
人類微生物體學 Human microbiome	系統神經科學 Systems neuroscience
分子醫學 Molecular medicine	*計算生物學 Computational biology
生物資訊與結構生物學 Bioinformatics and structural biology	神經醫學 Medical neuroscience
生態學 Ecology	*精準醫學 Precision medicine
*再生醫學 Regenerative medicine	其他生命科學、醫學科學相關領域 Other Life science- and medical science-related fields
合成生物學 Synthetic biology	
學士後醫學系教職(依筆畫排序)	
胚胎學與人體結構 (解剖) 學 Embryology & human structure (anatomy)	醫學生化學 Medical Biochemistry
微生物免疫學 (醫學細菌、真菌領域) Microbiology and immunology (Medical Bacteriology、Mycology)	醫學生理學 Medical Physiology
	藥理學 Pharmacology

申請截止日期：**2023年8月9日**

申請方式與應備資料：

應徵者請將 (1) 應徵函、(2) 履歷(含著作列表)、(3) 個人資料表(於<https://lurl.cc/n2g36j> 下載)、(4) 研究成果簡述、(5) 研究與教學計畫與 (6) 博士證書影本之電子檔(PDF格式為佳)，於截止日期前寄交 [recruit@life.nthu.edu.tw](mailto:recruit@life.nthu.edu.tw)。郵件主旨請註明「教職申請-申請者姓名」。另需三封推薦信，應由推薦人寄交上述郵件地址。本院資料請見<https://cls.site.nthu.edu.tw/>。若有任何疑問，歡迎致電子郵件到 [recruit@life.nthu.edu.tw](mailto:recruit@life.nthu.edu.tw)

## Faculty Position Announcement

The College of Life Sciences and Medicine at National Tsing Hua University (NTHU) is pleased to announce that it is seeking applications for several faculty positions at all levels for the Graduate School and School of Medicine.

**Position Start Date: February 1st, 2024.**

### Qualifications:

1. Applicants should hold a Ph.D. degree with experience in postdoctoral research.
2. Priority will be given to candidates who are capable of forming integrated teaching or research teams with our faculty members and supporting undergraduate teaching.
3. Applicants should have a research specialty in one of the following fields:

For the positions in the Graduate School (listed in alphabetical order) (*: <b>priority fields</b> )	
Bioinformatics and structural biology *Computational biology Ecology Human microbiome Medical neuroscience Molecular medicine	*Precision medicine *Regenerative medicine Synthetic biology Systems neuroscience Other Life science- and medical science-related fields
For the positions in the School of Medicine (listed in alphabetical order)	
Embryology & human structure (anatomy) Medical Biochemistry Medical Physiology	Microbiology and immunology (Medical Bacteriology 、Mycology) Pharmacology

**Application Submission Deadline: August 9th, 2023**

### How to apply:

To apply, please email the following documents (preferably in PDF format) to [recruit@life.nthu.edu.tw](mailto:recruit@life.nthu.edu.tw):

(1) a cover letter, (2) curriculum vitae (including a publication list), (3) personal information form (available at <https://lurl.cc/n2g36j>), (4) statement of research achievements, (5) statement of research and teaching plan, and (6) a photocopy of your Ph.D. diploma. In the subject line of your email, please use "Applicant for Faculty Position – Your name". Three reference letters are also required, and they should be sent by the referees directly to the same email. For additional information about our college, please visit <https://cls.site.nthu.edu.tw/>. For inquiries, please contact us at [recruit@life.nthu.edu.tw](mailto:recruit@life.nthu.edu.tw).
